

THE ARBONNE DIFFERENCE

Formulated in Switzerland | Made in the USA

Arbonne is Pure, Safe, and Beneficial. Our proprietary formulas are:

- Formulated without mineral oil: Occlusive oil can interfere with skin functions as well as advanced delivery systems.
- Botanically-based: A proprietary blending of science and nature, based on herbal and botanical principles.
- pH Correct: Skin care pH of 5.5 ensures maximum benefits.
- Hypoallergenic: Voluntary human panel testing meets hypoallergenic substantiation claim criteria.
- Dermatologist Tested: Voluntary human tests done under the watchful eye of an independent dermatologist.
- Never tested on animals: Substantiation and safety testing is performed at independent laboratories on voluntary human panels.
- Formulated without animal products or by-products: Plants and herbs, together with science and technology, offer superior benefits.
- Formulated without dyes or chemical fragrances: Dyes and fragrances are known irritants and can cause allergic reactions. Any fragrance listed on our labels is derived from essential oils.
