

ARBONNE

INTERNATIONAL

Enclosed in this packet is our revolutionary
Nutri-Min C RE9 anti-aging skin care system
Designed to restore and repair the health of your skin.
The Arbonne Products are formulated to deliver results.
Enjoy!

Please use the products exclusively for the next 3 days to see maximum results. Follow the instructions included. Take a pin and prick the packets to dispense a small amount of product. They are highly concentrated. Use lots of water when cleansing and a soft cloth to remove cleanser. Dot your forehead, cheeks, nose and chin with raindrop size amounts when applying moisturizers. More is not better.
